

FMPA LINEMEN'S ROUNDTABLE

October 26, 2017
10:00 a.m.

Hosted by Beaches Energy Services

The next FMPA Linemen's Roundtable will be on **Thursday, October 26, 2017** at Beaches Energy Services in Jacksonville Beach.

Overview

The roundtable provides a forum for crews to exchange ideas on operating practices, safety, training, tools and equipment, and any other common issues.

The group will participate in a roundtable discussion that will continue as long as necessary to ensure adequate discussion. Morning snacks and lunch will be provided.

Who Should Attend?

The roundtable is open to all levels of utility line crew personnel as well as any utility staff member who has an interest in T&D related topics.

Location

Beaches Energy Services
Operations & Maintenance Facility
1460 Shetter Avenue
Jacksonville Beach, FL 32250

Directions to the location can be obtained on FMPA's website during registration.

Registration

If you plan to participate in the roundtable, please register online at www.fmpa.com **NO LATER THAN Wednesday, October 18, 2017.**

To register online, go to: www.fmpa.com. Click on "Menu," "Meetings," and then "Training/Roundtables."

Cost

Attendance at this roundtable is free.

Please be sure to include specific topics of interest for discussion at the roundtable. If you have any questions or need any other information, please contact Sharon Smeenk at FMPA at sharon.smeenk@fmpa.com or 321-239-1062.

FMPA MEMBERSHIP

As an FMPA Member, your utility/city is able to participate in these programs free of cost.
